From The Director

Good afternoon ISC,

Congratulations to all of our student-athletes who were recognized this past Friday at the sports banquet. The Sharks had a great year as a whole with lots of success on the field of play. Friday night was a perfect evening to cap off the year and to build momentum for the sports program next year.

GIN students also had a successful conference on Saturday. Students from other schools on the island attended and were able to participate in all aspects of the event. Hats off to the students and Mrs. Chugani for pulling it altogether.

GIN still has their clothes drive currently going on in preparation for Saturday, May 28th, when they will set up the gym to receive students from various orphanages on the island. The children will be able to "shop" for clothes that have been donated by our community. If you haven't had a chance to bring in anything yet, please do so, the students will be collecting for one more week.

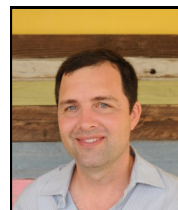

And to wrap up, this is my last pitch to encourage you to attend the Wine and Bubbles Night fundraising event this Saturday. There are only a few days left to buy your tickets! Remember: TICKETS WILL NOT BE SOLD AT THE NIGHT OF THE EVENT AT THE DOOR.

There will be several door prizes given away from generous sponsors as well as art pieces to be auctioned off (page 4). So please come out and help support the cause!

Sincerely,

Douglas Vaughan

Director
