From The Director

Good Afternoon ISC,

Another week passed and we are already in February. Parents, if you haven't done so, please stop in to pick up your child's report card(s). Currently there are still a good number to be picked up—specifically at the high school level.

Recently the government has changed the calendar for the local schools' by extending the current school year to July 6th and the start date for next school year to August 17th. I've had a handful of inquiries from parents regarding the impact on our calendar and would like to confirm that our calendar will not be adjusted. Our last day of school this year is June 19th and the first day back for students will be Thursday, August 10th.

ISC's Open House is coming up soon and we have begun to advertise in the newspapers for the general public. The advertisement can be seen on page two. Whereas we try to get the word out as best as possible, most often the news is best sent by word of mouth from our own community members. If you know of families who are contemplating ISC, please pass along the message of our open house so they can stop in and visit us on the 16th of February.

Have a great week.

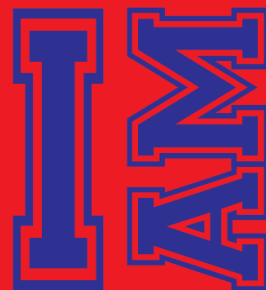

Sincerely,

Douglas Vaughan
Director
