From The Director

Welcome back,

The school's 3rd academic quarter is coming rapidly to a close. Students: be sure to stay on top of all of your work and stay focused as we begin to head into the home stretch of the school year. Particularly for our seniors, who begin their IB mock exams next week and will soon be wrapping up their academic work before we head into the Easter Break—they start the official IB exams on April 28.

Just before the break we had two fantastic student events: ISC's Science Fair and the Teener Parade. Great job by all the students involved and superb team work by the supporting cast of faculty, staff, and parents who helped out. Thank you for your continued dedication and commitment towards excellence.

Sincerely,

Douglas Vaughan
Director

“We Catch Dreams”: ISC Students Participate in the Teener Parade

Congratulations to all the participants in the Teener Parade! Your hard work and dedication paid off and you represented ISC well. Hats off to the committee and supporting members who helped make the event a success. Thank you to all the donors and the PTA; without your contributions the students' participation would not have been possible.

NHS: Raising Awareness About Equality

March's Theme: Equality!

This month the National Honor Society and ISC community will be exploring various forms of inequalities in our daily lives, communities, and world. Our aim is to combat these forms of inequality, as well as raise awareness about them. Stay tuned for different projects, activities, and events we have planned for the month of March!!!
