Bus Survey Results

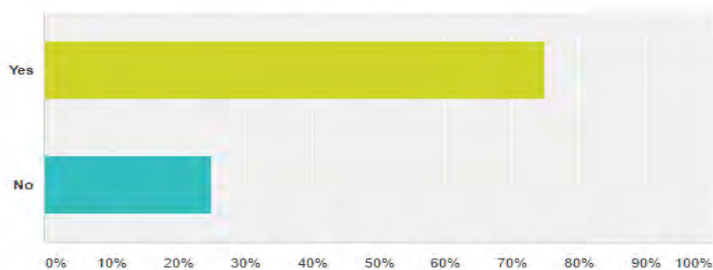

Dear Parents,

Thank you for taking time to complete the survey regarding the possibility of having a bus service for ISC. The results of the survey are shown here to the right. ISC currently has a total of 191 families who have children at the school. If the number of respondents (116) represents one vote per ISC household, the data received suggests moving forward and investigating possible options for the service.

As further developments happen, more detailed information will be provided.

Are you interested in a bus service for your child?

ISC GIN (Global Issues Network) group of students are hosting their fifth annual fundraiser. Thanks to the kind sponsorship and support of many sponsors, our GIN raffle fund raisers have been a great success. All of the money collected through the raffles has been used to support many projects in and outside the community. To name a few recent projects - we have sponsored an education sponsorship program for two students, organized two clothes drive in the last two years for around 190 children from local orphanages, organized projects to combat plastic pollution in our school and in the community, and hosted two local GIN conferences to spread awareness among students from our island.

Wine & Bubbles Fundraiser set for May 20th– UPDATE!

Dear Parents,

We are happy to announce that ISC's 6th annual "Wine & Bubbles Night" fundraising event is set for Saturday, May 20th. Mark your calendars! Tickets go on sale Monday, April 10th at the school entrance or in the main office. To kick off sales, the first 50 tickets will be sold at ANG 100—get them while they last!

UPDATE! ALL 50 PRE-SALE TICKETS HAVE BEEN SOLD! REMAINING TICKETS AVAILABLE IN THE MAIN OFFICE.

Over the past two years, proceeds from the event have been put aside to buy equipment for our stage in order to enhance school performances and reduce costs related to renting sound and light systems. This year's proceeds will also be added to the same fund.

Per tradition, the night will include live music, a great assortment of wine, champagne, and cheeses. This year will also include a separate wine tasting, a short fashion show, and as usual, a number of door prizes provided by our many sponsors.

More information to follow.....

Middle School News: Child Care and Nurturing Project

Middle school students' child care and nurturing project was a week-long project carried out by the 8th graders. The goal of this project was to help them understand the consequences and responsibilities (social, financial, emotional) that come with raising a child when you are a teenager.

From the Nurse: GGD Visit

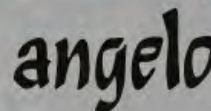

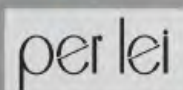

GGD (department of public health) nurses will be visiting ISC on May 8 and 9 for vaccinations. If your child is due for vaccinations, a letter will be sent home with your child this week. You will need to fill out the consent form, sign it, include your child's ORIGINAL immunization card and return it to Camille in the main office before May 8. If you do not wish your child to be immunized, you still need to fill out the form and provide a copy of proof that your child has already been immunized, or your reason for choosing to not immunize so that GGD can update their system. You will get the original immunization card back (updated) on May 8 or 9 after your child received their vaccine. If you did not receive a letter and you feel your child needs to be immunized, you may contact GGD directly to make arrangements prior to May 8 as they only bring enough vaccines as required.
