## Message from the Director

Dear ISC,

Great performances by our students— and teachers— this past Saturday night. The weather wasn't very cooperative to start the evening, but in the end, everything worked out. Congratulations to all of the performers as well as the NJHS for their part in organizing and running the show.

Tomorrow afternoon from 5-7 pm we will be hosting our annual science fair. Students in grades 3-10 will be showcasing their projects in the gym. The event is open to both our ISC community and the general public for those who may be interested. We encourage guests to ask the students questions about their projects and have them explain the processes they went through. More specifically, ask questions regarding the scientific method and how the students came to their conclusion.

A quick reminder for parents who are traveling during the Easter Break; you will need a travel letter if you do not return by Wednesday, April 4th. Government schools are back in session on Thursday, April 5th. Stop in or send Ms. Camille a request for the letter from ISC if this applies to you!

Students— March is here already, which means the end of the 3rd academic quarter is upon us (March 21). Make sure you stay on top of all your assignments and don't miss deadlines; teachers will need to submit all grades soon!

 Director

## ISC Athletics: Lady Sharks Soccer

Last Thursday, ISC's Lady Sharks soccer team took on Kolegio Josef Civilis in an afternoon match and came out victorious with a 4-0 win.

Isabela Kern had a hat-trick and Fleur Bos added the fourth goal. Ploy Nakham and Demi Ursom combined for the shutout in goal.

Upcoming matches includes a tough match up against KAP on March 8th and On the 19th versus Don Sarto. Both matches will be at 2:30 at FFK (Ergilio Hato Stadion).
