An international education today for the global citizens of tomorrow

VISION

The International School of Curaçao educates students from diverse cultures to have the skills to think creatively, communicate effectively, reason critically, and act compassionately.

Dates to Remember:

Mar. 5-16: IB Mock Exam
March 7: Town Hall
March 12: Progress Reports
March 19-23: Animal Awareness Week
March 21: IB Art Exhibition
March 21: End of 3rd Qtr.
March 22: 4th Qtr. Begins
March 26-April 6: Easter Break- NO SCHOOL

Message from the Director

Good afternoon ISC,

Thanks for stopping in last week for the Science Fair; students as young as grade 1 were eager to share and explain their projects to family and friends. In addition to learning and understanding the scientific method, the Science Fair also provides a valuable opportunity for our students to develop their speaking and presentation skills. As they hone these skills, their self confidence increases, which in turn positively impacts their overall growth across all subjects. Keep up the good work, students!

Parents,

As announced, tonight is our annual Town Hall meeting with the Board of Directors. General topics to be discussed can be found on page three. We will begin promptly at 7 p.m. and expect the meeting to go no longer than one hour. The meeting will be on the high school side in Kayena & Alablanka rooms.

Please note that the meeting is not intended to discuss day-to-day issues at the school; if there are specific concerns they need to be brought forward through the proper channels within the classroom and level principals. This meeting is to share information from the Board level that is pertinent to the functions of the school in general.

We hope to see you tonight.

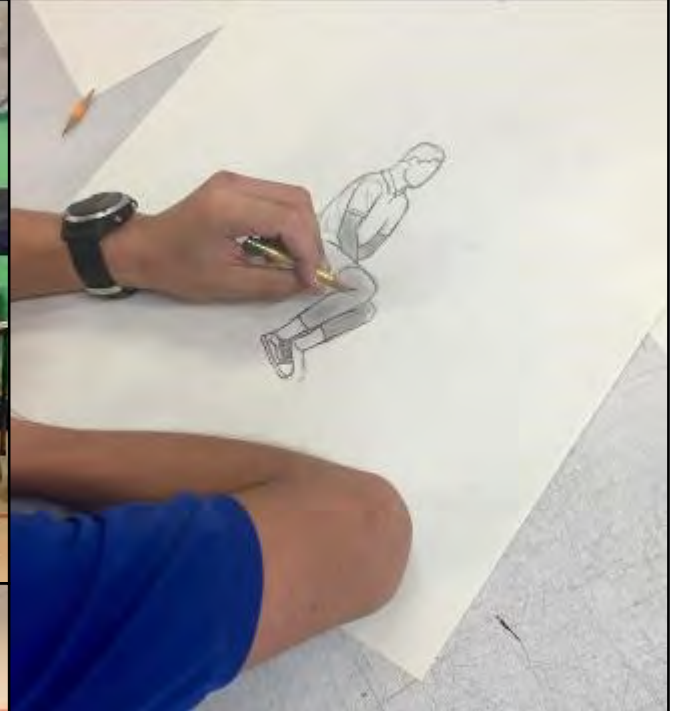

Douglas Vaughan
Director

*** NOTICE: REQUEST TRAVEL LETTERS WITH MS. CAMILLE IF YOU ARE TRAVELLING DURING THE BREAK AND WILL NOT RETURN BEFORE APRIL 5TH**

High School News: IB Art Students

Our 11th grade IB art students are working on a distorted figure. But before you can start distorting the human form, you need to first know what it looks like in the right proportions. Every Thursday in February, March and April we will spend a class working on Model drawing, speed drawing, drawings with more eye for detail, dark and light contrast, and the negative space. Occasionally students from our 10th grade class join in; different students who have study hall at the time help us out by posing for the group. This was our 2nd workshop- more to follow!

ISC

Animal Awareness Week 2018 is scheduled for March 17-23. This year, there are more groups of students involved in order to empower them to be active participants of community service initiatives and show their leadership skills. Below is the schedule of activities for the week. We hope to help improve the situation of stray animals in Curaçao. Your support will be highly appreciated!

ANIMAL AWARENESS WEEK - March 2018
