Message from the Director

Good afternoon,

Mr. Jeff Bradley from NEASC finished his visit Friday afternoon having completed a thorough inspection of our school and conducting meetings with numerous stakeholders. His feedback was very positive and we will formally know the decision to grant ISC accreditation through his organization within the next month. We have no indication that it will not be granted and expect a positive announcement. When this happens, ISC will carry three accreditations throughout the remainder of this school year, which is an accomplishment we can all be very proud of.

Regatta Break is just about here and when we return on the 16th, we have just one week to get ready for UN Day on the 20th. We are still looking for parents to take the lead for organizing and setting up individual tents to represent their respective country (details on page 5). The sign-up forms are now posted in the front of the grade 3 rooms for parents who would like to assist in the booths and/or take the lead to organize and help set-up. If you have any questions at all, email the UN Day Committee at: unday@isc.cw for details.

Success of the event is very dependent upon support from parents, Last year's event saw an increase in the number of countries represented. This was a direct result of your help and involvement. We look forward to another great celebration this year! Have a great break. No newsletter next week!

Elementary News: Students Say Good Bye to Ms. Roxy

Last Friday, students young and old gathered to say good bye and good luck to Ms. Roxy. Ms. Roxy worked with ISC as a teacher's assistant for five and a half years and made an important difference in the lives of the students. She was presented with cards, gifts and hugs!

Dear Elementary Community,

I wanted to share a couple of videos of what we've been up to in Elementary.
